Vincent Garrett—Medicaid Number 3780160458

Mr. Bruce White, Administrator for Mt. Pleasant Manor  
Nursing facility is requesting that Medicaid consider the  
back due child support payment of \$150.00 as a  
Dependent deduction.

If not, then the facility will be paying the child support  
payment for Mr. Garrett.

Can you review and determine is this is possible??

Re: Mount Pleasant Manor  
Resident: Vincent Garrett  
Social Security Number: 249-06-9444  
South Carolina Medicaid Number: 3780160458

Dear Senator Graham:

You graciously assisted me regarding this issue in 2007 and I am requesting your help again. I am writing to you from Mount Pleasant Manor, a skilled nursing facility, regarding our resident Vincent Garrett.

Mr. Garrett has been a resident at our facility since September 2003, and he will be here the rest of his life. He is a Medicaid recipient and receives total care. He came here due to a severe stroke which required brain surgery. He is also HIV positive.

Due to the Homeland Security Law, his total Medicaid benefit was terminated but due to your intervention his benefit was reinstated. Our remaining issue is that as a result of the recent intervention made by the Department of Assigned Counsel in Pierce County Washington State, \$150 per month is deducted from his recurring income going back to 2007. This has resulted in a current private account balance of \$3,765 plus the ongoing loss of \$150 per month.

I contacted Ms. Helen Thomas, Medicaid Eligibility Administrator, located in Charleston, South Carolina, and asked if an income adjustment could be made to Mr. Garrett's monthly recurring income. We agreed that this was an unusual situation, one Ms. Thomas had not encountered. She posed the question to her superiors and informed me this week that due to policy and procedure Mr. Garrett's recurring income could not be adjusted to reflect the \$150 per month child support payment.

As a result, Mount Pleasant Manor is receiving the consequence of Mr. Garrett's prior failure to meet his financial obligations. In essence we are paying the monthly child

support payment. What I am requesting is that Mr. Garrett's recurring income be adjusted retroactive to July 2007 by \$150 per month.

Again, I want to emphasize that the nursing home should not be the victim in this scenario. Please help us find a solution that does not penalize the nursing home for care given and for the continued services he will receive the remainder of his life at Mount Pleasant Manor.

If you need more information please contact me at 843-884-8903. Sonja Woods, our Business Office Manager, will also be available to provide any further information. She can be reached at the same number.

Thank you very much for your assistance.

Sincerely,

Bruce White

Dear Mr. White:

Senator Lindsey Graham asked our agency to assist with your concerns regarding Medicaid coverage and the recurring income for Mr. Vincent K. Garrett.

Our staff carefully reviewed your request to exclude \$150 of Mr. Vincent's monthly recurring income, however, South Carolina Medicaid Policy 301.08.04 (attached), specifically precludes our agency from excluding this amount from Mr. Vincent's unearned income since it is a garnishment withheld from unearned income to meet a legal obligation. Should you have further questions concerning this policy please call Ms. Helen Thomas, Medicaid Regional Administrator in Charleston, at (843) 740-6958.

Thank you for your concern and for all you do to improve the health and quality of life for many of our state's citizens. We hope this information is helpful in understanding Medicaid policy and regulations.

Sincerely,
