I don't know much except Emily said the Superintendent would like to meet with the Governor on policy issues unrelated to the IDEA MOE.

Holly – I'm back in the office. Let me know when you can brief us.

The Governor asked me to go ahead and schedule this meeting, but she would like to be sure that Holly briefs Swati and Becca on her phone call with Emily. Note- Holly will no longer be in the office on the date of the meeting.

Thanks,  
Nicole

I have e-mailed with Emily. Molly is agreeable to the letter of support to resolve the IDEA Part B Settlement Agreement, but she has several other policy issues to discuss with the Governor. She did not provide any other information beyond that. You may want a policy person to staff since this does not involve the Settlement but instead involves other policy issues.

Please include Becca too for transition purposes.

Do you need to be here or just Holly?

Would Holly be the only staffer?

I mentioned to her before she left today and she was fine meeting with her. But I'd like the meeting to happen when Holly is here if possible.

Yes, I told Emily about the letter. She said she would tell the Superintendent about the letter and let the Superintendent decide if she still wanted the meeting. Based on this e-mail, it appears that she still wants the meeting.

Looping in Holly. Is this needed after your conversation with Emily?

Nicole,

The Superintendent would like to set up a meeting with the governor in the next two weeks. Can you give me some times she is available? Thanks.
