

George L. Kennedy, III, CPA
State Auditor

August 29, 2017

The Honorable Kevin L. Bryant, Lieutenant Governor
South Carolina Office of the Lieutenant Governor
State House, 1st Floor
Columbia, South Carolina 29202

Dear Mr. Bryant:

We are pleased to confirm our understanding of the terms of our engagement and the nature and limitations of the services we are to provide for the South Carolina Lieutenant Governor's Office (the Office).

We will apply the agreed-upon procedures listed in the attached schedule that were agreed to by management to assist you in evaluating the systems, processes and behaviors of the Office for the fiscal year ended June 30, 2016. Our engagement to perform agreed-upon procedures will be conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of management and we will require an acknowledgement in writing of that responsibility. Consequently, we make no representation regarding the sufficiency of the procedures described in the attached schedule for the purpose for which the agreed-upon procedures report has been requested or for any other purpose.

Because the agreed-upon procedures listed in the attached schedule do not constitute an examination or review, we will not express an opinion or conclusion, respectively, on the systems, processes and behaviors of the Office. In addition, we have no obligation to perform any procedures beyond those listed in the attached schedule.

We will issue a written report addressed to the Lieutenant Governor and management of the Office upon completion of our engagement that lists the procedures performed and our findings. This report is intended solely for the information and use of the Lieutenant Governor and of the management of the Office and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited. Our report will contain a paragraph indicating that had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

An agreed-upon procedures engagement is not designed to detect instances of fraud or noncompliance with laws or regulations; however, we will communicate to you any known or suspected fraud and noncompliance with laws or regulations that come to our attention. Our report may not include all matters that might have come to our attention had we performed additional procedures or an examination or review.

Management is responsible for ensuring its financial records are in compliance with generally accepted accounting principles, State laws, rules and regulations and the Office's policies and procedures. You are also responsible for, and agree to provide us with, written assertions about your systems, processes and behaviors.

George L. Kennedy III, CPA, is the State Auditor of South Carolina and is responsible for supervising the engagement and signing the report or authorizing another individual to sign it.

The concept of materiality does not apply to findings to be reported in an agreed-upon procedures engagement. Therefore, all findings from the application of the agreed-upon procedures must be reported unless the definition of materiality is agreed to by the specified parties. Management of the Office has agreed that the following deficiencies will not be included in the State Auditor's Report on Applying Agreed-Upon Procedures:

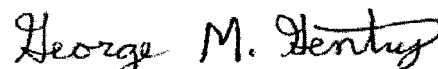

- Clerical errors of less than \$1,000 related to processing cash receipts and cash disbursements transactions unless the errors occur in ten percent or more of the transaction class inspected.
- Clerical errors of less than \$1,000 related to reporting packages.
- Errors in applying account coding definitions to accounting transactions unless it is determined that ten percent or more of the accounting transactions inspected were found to be in error.
- Reporting packages which are submitted less than three business days after the due date unless it is determined that more than two of the reporting packages were submitted late.

Even though the above described deficiencies will not be reported to management in the AUP report they will be reported orally to management and documented on a "Discussed with Management" form.

Angelique Cornwall, along with one other member of our staff, will start the engagement on September 5, 2017 at 9:30 a.m. We respectfully ask that the documents and other information initially requested by our staff, be provided or made available to the team as soon as possible. As the engagement progresses, they will need access to other information, including general accounting records, receipts, and disbursement vouchers; payroll, personnel, and leave records; receivables; purchasing records, etc. This information will be requested, as needed, during the fieldwork. At the conclusion of our engagement, we will require certain written representations in the form of a representation letter from management that, among other things, will confirm management's responsibility for ensuring its accounting records are in compliance with generally accepted accounting principles, State laws, rules and regulations and the agency's policies and procedures.

Our staff looks forward to working with you to accomplish our objectives with minimal disruption of your normal operations. Should you have any questions, please contact me at 832-8242. If you agree with the terms of our engagement as described in this letter, please sign below and return it to us. If the need for additional procedures arises, or the procedures need to be modified, our agreement with you will need to be revised. We will include these revisions in an addendum to this letter.

Yours very truly,

George Gentry, CPA
