ABOUT THE PROGRAM

John Gormley served as a law enforcement officer for 20 years on the local and state level and a police trainer for 15 years. Currently, his practice is limited to bringing his experience and legal expertise to thousands of criminal defense attorneys in 29 states. John's seminars and workshops are accredited for continuing legal education by the State Bar or Supreme Court in 29 states. Wherever John has lectured, attendees have sung his praises, describing his programs as dynamic, interesting, fact-filled, informative and useful and particularly unique given his ex-cop perspective and lawyer mindset.
