WHEREAS, I have been informed that the industry resources within the South Carolina Department of Corrections are presently under utilized; and

WHEREAS, this under utilization results in part from the unreasonable fear of competition in the private sector and the undue restrictions on prison labor under applicable state and federal laws; and

WHEREAS, Section 24-1-20, Code of Laws of South Carolina, 1976, requires, in part, that the Department of Corrections be operated in a manner consistent with the operation of a modern prison system and with the view of making the system self-sustaining; and

WHEREAS, pursuant to Section 24-3-310, Code of Laws of South Carolina, 1976, the General Assembly has determined that the prison industries program within the South Carolina Department of Corrections is intended to:

2. Further utilize the labor of convicts for self-maintenance and for reimbursing the state for expenses incurred by reason of their crime and imprisonment;

3. Effect the requisition and disbursement of prison products directly to established state authorities with no possibility of private profits therefrom; and

WHEREAS, it is my belief that utilization of prison labor will be enhanced and the intent of the General Assembly fulfilled by the development of a comprehensive prison industries utilization plan developed with input from all segments of our society.

NOW, THEREFORE, pursuant to the authority vested in me under the Constitution and laws of the State of South Carolina, I do hereby appoint a task force of concerned citizens representing industry, retail sales, consumers, victims, the General Assembly, and appropriate agencies of the State of South Carolina to develop a plan acceptable to the private sector for the expansion of the prison industries program which will provide increased productive work opportunities for inmates; enable the industries program to make a greater contribution to the operational expenses of the Department of Corrections; enable the inmates to contribute to a meaningful restitution program for the benefit of victims of crime in this state; contribute to the support of inmates' families; acquire marketable skills and develop enhanced work ethics to prepare them for their reintegration into society.

EXECUTIVE ORDER NO. 85-31

WHEREAS, the special election which was scheduled by Executive Order 85-17 to be held August 6, 1985, to determine, inter alia, whether the residents of an area of Richland County known as St. Andrews wished to incorporate as a new city was postponed indefinitely because of action by the United States Department of Justice; and

WHEREAS, the Department of Justice has now sent a letter dated October 25, 1985, regarding the incorporation procedure of St. Andrews which has been forwarded to this Office by the South Carolina Attorney General; and

WHEREAS, a new election date must now be set on the question of incorporation of the area known as St. Andrews; and

WHEREAS, I have been requested to exercise the authority granted to the Governor in Section 7-13-1170, Code of Laws of South Carolina, 1976, to order a new election to be held in those instances where an election is declared void by competent authority and the law does not provide any other procedure to be followed; and

WHEREAS, it appears to me that the original election held in this matter has been declared void by competent authority and that the law does not provide otherwise for this contingency; and

WHEREAS, it appears that because of recent pronouncements of the United States Supreme Court, the Justice Department must preclear the election date prior to the giving of notice of the election and that the Justice Department has indicated that provision could be made for an alternate date in the event that the Justice Department requests additional information thereby extending its review period another 60 days.

NOW, THEREFORE, pursuant to the authority vested in me by Section 7-13-1170, Code of Laws of South Carolina, 1976, I hereby order that a new election be conducted on January 21, 1986, by the incorporation commission previously commissioned by the Secretary of State in this matter in accordance with the Order of the Board of State Canvassers dated March 19, 1985, and the provisions of Sections 5-1-50, et seq., Code of Laws of South Carolina, 1976, as amended and all other applicable provisions of the Constitution and laws of this State. The same procedures for conducting the February 12, 1985, special election on this question shall also be utilized in this new election. Therefore, the ballots shall be paper ballots, the same four polling places will be used, and the phrasing of the incorporation question itself that was used in the February 12, 1985, special election shall be used again. Notice of this election shall be given by the St. Andrews Incorporation Commission on January 6, 1986, which is fifteen days before the election date. In the event that the pre-clearance from the Justice Department is not received prior to January 6, 1986, and the Justice Department requests additional information thereby extending the review period another 60 days, the election will be held March 25, 1986. Notice for a March 25, 1986, election shall be given by the St. Andrews Incorporation Commission on March 10, 1986, which is fifteen days before the election date.

EXECUTIVE ORDER NO. 85-37

WHEREAS, by Act No. 123 of 1983, the General Assembly of the State of South Carolina amended Chapter 3 of Title 24 of the Code of Laws of South Carolina, 1976 by adding the article known as the Prison Overcrowding Powers Act; and

WHEREAS, the purpose of this Act is to provide a means, in extreme circumstances, to alleviate prisoner overcrowding in the prisons of the State of South Carolina, in order to insure humane conditions of confinement, and proper operation and security of the prisons as provided by law; and

WHEREAS, the South Carolina Board of Corrections has reported to me under the provisions of Section 24-3-1190, Code of Laws of South Carolina, (1976), that the state prison system population continues to exceed the presently established safe and reasonable operating capacity of Seven Thousand Nine Hundred and Seventy-six (7,976) inmates; and the Board, therefore, has requested that the release dates of all inmates be

conditionally advanced ninety (90) days, which shall be cumulative to the previous advancements resulting from Executive Order No. 83-44 issued September 2, 1983, Executive Order No. 84-14 issued March 26, 1984; and Executive Order No. 85-16 issued May 22, 1985; and

WHEREAS, the South Carolina Board of Corrections has reported that there has been full and appropriate utilization of powers by the Department of Corrections, the exercise of which tends to either reduce prison system population or expand the system's safe and reasonable prison operating capacity; and

WHEREAS, the South Carolina Board of Parole and Community Corrections has reported to me as required by Section 24-3-1190, Code of Laws of South Carolina, (1976), that there are sufficient supervising agents and resources to provide intensive supervision of prisoners released pursuant to the Prison Overcrowding Powers Act and Section 24-13-720, Code of Laws of South Carolina, (1976), regarding the Supervised Furlough Program; and

WHEREAS, the South Carolina Board of Parole and Community Corrections has reported that there has been full and appropriate utilization of powers by the Department of Parole and Community Corrections, the exercise of which tends to either reduce prison system population or expand the system's safe and reasonable prison operating capacity; and

Page three

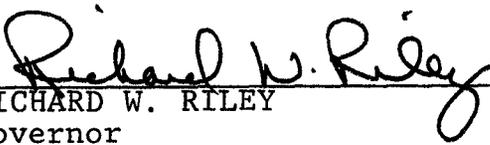

WHEREAS, since the prison system population continues to exceed the established safe and reasonable operating capacity, it becomes necessary to invoke extraordinary measures due to the extreme overcrowding in prisons in order to insure humane conditions of confinement, and proper operation and security of the prisons as provided by law.

NOW, THEREFORE, pursuant to the powers conferred upon me as Governor by Section 24-3-2000, Code of Laws of South Carolina, (1976), I hereby determine that the reports of the South Carolina Board of Corrections and the South Carolina Board of Parole and Community Corrections establish the continuing existence of a prison system overcrowding State of Emergency, and I hereby declare that the prison system overcrowding State of Emergency declared by Executive Order 83-44 on September 2, 1983, continues to exist. I, therefore, direct that the release dates of inmates be advanced ninety (90) days, effective December 27, 1985, and that this advancement be cumulative with the advancements of release dates ordered by Executive Orders 83-44, 84-14 and 85-16; and I further declare and direct that the South Carolina Department of Corrections and the South Carolina Department of Parole and Community Corrections shall begin releasing qualified inmates pursuant to this Executive Order as expeditiously as possible.

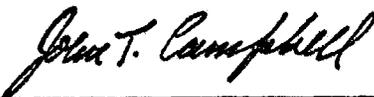

Page four

I declare that the prison overcrowding State of Emergency declared on September 2, 1983, and the advancement of release dates ordered by Executive Order 83-44, Executive Order 84-14, Executive Order 85-16 and this Order shall be terminated when the Commissioner of the South Carolina Department of Corrections certifies to me that the prisons have not exceeded the presently established safe and reasonable operating capacity of Seven Thousand Nine Hundred and Seventy-six (7,976) inmates for a period of seven consecutive days, or as otherwise provided in the Prison Overcrowding Powers Act.
