

Dear Nikki Haley I am writing to you
to ask you a couple of questions. I am
wanting to know if you could get
an investigator to come and talk to me
about some problems I am having
with some officers at Columbia
Regional care center. Well I was
standing at the door ~~room~~ at room
719 and Mrs. Witman told Jamal
dukes a patient to move me away
from the door. ~~Mrs.~~ Mrs. Witman
also took off her coat and threatened
me. It was the 24th of September
at ~~12~~ twelve o'clock count time,
and also if some one was to look
back on the tape it would show the
Mrs. Witman and dukes coming to
the door and it would also show
Mrs. Witman take off her coat
and walk up on me in a
threatening body motion and
manner. Also I would like to
know if you could in some
way get an officer ~~from~~ from
d. per

the richland county sheriff's
department to come up here and
so I can talk to them about
pressing charges on an officer
named Wade and an officer
named Simms name. named Simms
because there is a female named Simms
that works here to. I
would like to press charges
on officer Wade because he is
harassing me and he also
hit me in my head with
the keys that they use to
open doors with. And I would also
like to press charges on Wade
for assault. It happened on
tuesday the 15th. Well also
Simms and Wade took me
out of the room took me
to the shower and Simms
pushed me into the shower
and Wade hit me with the
keys. I would also like to

W.S. Simms for
assault.

you could at least do something
for me since my uncle was an
FBI agent ~~Charles~~ his ~~name~~ name

was married to an African-American
and he was a police officer at
the Dillon County police department.
His name was Lt. Lawrence Owens.
He died in Charleston County
hospital he had a stroke and
a seizure in the hospital in Dillon
County and the ~~to~~ took him from
~~the hospital~~ Saint Joseph Community
hospital in Dillon County and
took him in a helicopter to
Charleston County hospital.

I also have a card that I got from
Fayetteville N.C. for + bags. Because
