#### Description/Significant Features:

The house has a long, rectangular plan with two front-projecting hipped sections on the western elevation. Southern two bays are located in a hip-roofed projection; paired six-over-six, double-hung, wooden sash windows. Door is recessed into this front projection, beneath a portico created from a roof overhang supported by a decorative metal post. To the north: three single six-over-six, double-hung, wooden sash windows and a second, smaller projecting hip-roofed bay, which also has a paired six-over-six, double-hung, wooden sash window. The roof is covered with composition shingles and a large interior brick chimney. Gabled rear addition.
