---

Marvile,

Any waiver request must come from Chris.

Tony

**Subject:** Program Instruction

Tony,

In regards to the Program Instruction that was issued on May 29, regarding Nutrition Risk Scores, the Lowcountry Council of Governments is requesting a 3 month waiver to this Program Instruction. The three months waiver will give us enough time to review and evaluate the value of this Policy Directive.

Marvile J. Thompson, Director  
Area Agency on Aging/ADRC
