

The Honorable Nikki Haley
Governor of South Carolina
1205 Pendleton St.
Columbia, S.C. 29201

2-27-15
1:38 a.m. (a.s.t.)

Dear Governor Haley,

Enclosed is a copy of the meds I am taking. There in we may discover the antibiotic for the memory-loss pills.

My memory is improving daily. I remember Tiki Christophillis said he was planning on slipping the memory loss pills to President Obama because he knew Obama's Doctor.

The Doctor may be a part in all this swindeling and treason.

I am sorry I have not yet sent you these letters. I don't trust your staff that handles your mail.

Things are happening here in Greenville and I have been too busy helping others.

I may either drive to your office and hand deliver the letters, or get an Agent from Homeland Security or a U.S. Marshall to deliver them to you.

(2)

Much is at stake. I think they know I am on to them.

I am acting as an American Citizen protecting my politicians and Commander In Chief.

I have been a volunteer UN enlisted Minute Man for President Bush, in a foreign country.

I will go anywhere and do anything the President orders me to do, as a militia for my Country.

Sincerely American,

Thomas Mann "Capt. Tom"

Bon Secours Introduces MYCHART!

Bon Secours introduces MyChart patient portal. Now you can access parts of your medical record, email your doctor's office, and request medication refills online.

1. In your internet browser, go to <https://mychart.mybonsecours.com/mychart>
2. Click on the **First Time User? Click Here** link in the Sign In box. **You will see the New Member Sign Up page.**

3. Enter your MyChart Access Code exactly as it appears below. You will not need to use this code after you've completed the sign-up process. If you do not sign up before the expiration date, you must request a new code.

- MyChart Access Code: MW5NJ-YUHB4-VH73U
- Expires: 4/20/2015 12:08 AM

4. Enter the last four digits of your Social Security Number (xxxx) and Date of Birth (mm/dd/yyyy) as indicated and click **Submit**. You will be taken to the next sign-up page.

5. Create a MyChart ID. This will be your MyChart login ID and cannot be changed, so think of one that
