Elizabeth,

I thought we added language Friday explaining that the applicant is responsible for providing funds for eligible work. I didn't see that language in the attached letter to BFT. Am I missing it?

Thanks.

Elizabeth,

Thank you so much for sending! Just to confirm, at this point, we are waiting on the follow up from FEMA regarding the EMD submission?

Thank you,
Haley

Hi Haley,
Sorry for any delay. I worked with David Glaccum and developed a format for the letters back to the jurisdictions requesting private property debris removal. I have attached our submission to FEMA and our letter back to Beaufort County.

Thanks,
Elizabeth

Elizabeth,

Rep. Jeff Bradley has requested a status update on the request from Mr. Kubic. Is there any information that I can share with him at this time? Thank you for all of your help.

Thank you,
Haley

Haley,

Thanks so much for this letter. We are absolutely in support of the request for FEMA to consider private property debris removal eligible work for this event. We will provide this letter to FEMA with a letter indicating our support. We received a similar request from Horry County and will be passing that along as well.

Thanks,

Elizabeth

Please see the attached request passed along by Rep. Jeff Bradley. Gary Kubic, Beaufort County Administrator, has requested that SCEMD support a waiver in regards to FEMA debris removal restrictions for gated communities. Please let me know how I should follow up or if there is any information that I can pass along regarding waivers of FEMA regulations.

Thank you,

Haley
