Dear Nikki,

I'm reaching out to you because we just sent membership cards to more than half a million Heritage Foundation members -- and we didn't send one to you.

I was surprised to see that you weren't on our membership rolls this year as a card-carrying Heritage Foundation member. Principled conservatives like you tell us they are proud to carry the Heritage membership card.

**But it's not about the card.**

It's about being a part of a movement that can transform our country. You know that conservative principles like individual freedom, limited government, and free enterprise can return America to a position of strength once again.

**So will you join us? 2016 is a pivotal year, and I want to make sure you are with us, Nikki.**
