Subject: Ethics Reform Event

Dear All:

I have spoken with or left messages for all of you regarding the Governor's Office's efforts to re-start and re-energize the push for Ethics Reform and passage of H. 3945 next legislative session. We are getting closer to the start of the legislative session and Governor Haley will begin efforts around the state from now through early next year to talk about ethics reform and get the public engaged.

We know that your organizations are strong supporters and great voices for ethics reform and, as such, we want to invite you to a press event next Wednesday, November 13 at 1:30pm on the Second Floor of the Statehouse between the two chambers. We are inviting a large bi-partisan group of legislators from the House and Senate, as well as the members of the Governor's Ethics Reform Task Force. To show the legislators how much the public really cares about ethics reform we would encourage you to invite your members, supporters, friends, etc. The more people we can bring to the event the stronger the message!

Gov. Haley will be traveling around the state talking about ethics reform and would also like to invite you to those events when scheduled.

Please let me know whether you will be able to attend the first event next Wednesday. As we determine the number of people in attendance we will determine speaking roles and follow up with you. We certainly want your strong voices to be heard!

Thanks again and I look forward to hearing back from you soon. You can also reach me on my cell phone anytime – 803-665-0259.
