Dear Friends,

I heard about the donations you collected for South Carolina flood victims and want to let you know how proud I am you. The way you came together to support families affected by the recent floods was simply awesome! Neighbors helping neighbors is what South Carolina does best, and I encourage you to continue to look for ways to get involved and make a positive difference in your school and community. You are setting a strong example for other young people on the importance of service, and I look forward to hearing more good news about New Prospect Elementary School in the future. Keep up the great work! God bless.

My very best,
