Please call Tate. Ask him what the deadline is. Then, re-work the suggested quote, and send to me. Thanks.

Josh and Brian,

I hope all is well and happy Thanksgiving week. The SC Ports Authority is putting together our first "annual report" recapping the last fiscal year, which will highlight several key successes throughout the year. If possible, we would love to include a quote from Governor Haley in the report.

I have included a draft quote below – please feel free to edit this in any way you all see necessary. The Annual Report will be posted on our website and shared with folks in the maritime industry. As always, thank you for your continued support. Please call me if you have any questions.

Draft quote from Governor Nikki Haley:

"Our port system is one of our greatest treasures, and it drives our state's economic development engine. Businesses with international supply chains, and we've seen a number of economic development announcements that reflect the port's role in industry recruitment and expansion. Our world class port system delivers efficiency and reliability, supporting South Carolina's connectivity to the global marketplace."

##

Regards,

Tate
