Subject: Data Oversight Council - Chairmanship

Hey,

Has anyone talked to you about who should serve as the Chair of the Data Oversight Council created in §44-6-170?

http://www.scstatehouse.gov/query.php?search=DOC&searchtext=data%20oversight%20council&category=CODEOFLAWS&conid=7538172&result_pos=&keyval=854&numrows=10#OCC1

I'm asking because one of the side-effects of implementing DOA is that folks are taking another look at all the things that the affected entities are legally supposed to be doing. Frank Rainwater has been taking a look at the Data Oversight Council because the Office of Research and Statistics will fall into the domain of the new Revenue and Fiscal Affairs Office that he'll oversee.

Long story short, the Governor names the Chair of the Data Oversight Council and that affects you more than anyone else in our universe, so I wanted to be sure you were in the loop. Thanks.
