Based on just a quick glance, I expect I'll be able to use it, but I haven't had a chance to read it yet, and it likely will be next week before I get that chance.

Hi Cindi,

Any update on the op-ed? I just wanted to check in with you to see if you needed anything else from our end.

Thanks!

Hi Cindi,

I apologize for just now getting back to you - I was out of the office last week. Thank you so much for being willing to look the Lieutenant Governor's op-ed though. I have attached it. Please let me know if The State would be willing to run it this weekend.

Thank you!

Hi Ms Black

I'll be happy to take a look. I'll be out next week, but I'll take a look the following week.

Hi Cindi,

I hope you are doing well. I wanted to reach out to you on behalf of the Lieutenant Governor concerning an op-ed he is currently working on. Following up from his press conference this week on defunding Planned Parenthood and other abortion providers, he is writing a piece on the mechanics of exactly how that could be done in South Carolina. This is a hot topic right now with both the governor and the

lieutenant governor moving forward, and we would like to give the op-ed exclusively to The State. Would this be something you would be interested in printing? If so, we could have it ready by the end of next week.

Thank you so much for your consideration!
