If questions pertain to dams, Elizabeth Dieck can field those. If questions pertain to cost recovery through FEMA, I need to handle those. I will ask Elizabeth to touch base with you. I'll call after the presser.

No worries.

Do you think it's possible to have someone from DHEC to attend this meeting to answer questions regarding dams? Let's try to connect after the Governor's presser.

Hi Katherine and Rob –

I sure hope both of you got some well- deserved rest this weekend. Lots of work for the future but hopefully we are out of the safety and life preservation stage. A couple of things – Beth and I would like to send out the notice below to the media. We want to make sure we get a nice crowd. U guys ok with this?

Also, Katherine, can you please try and get folks from SCDOI and SCDHEC (damn inspection unit) to the meeting. By the way, I was out in the neighborhoods today and ran into a couple of guys from DHEC inspecting one of the dams. This is really gonna be a huge issue moving forward as we have 6-8 dams in my district that will need repair and we are really hoping the Federal relief funds will pay 75% of the cost.

Let me know and thanks –

Joel
