I mentioned to Darryl that I'd work on arranging this. It's not set yet.

Hi there!

Darryl mentioned that the LG was speaking to a group in Aiken in the near future. Would you be able to give me the date and time – and if the LG has any free time slots on either side of the speaking engagement? It's my understanding that there was a senior site in the area that had received a PIP grant, and we were trying to see if it might be possible to do both while he was in town. Kill two birds with one stone... know what I mean, Vern?

Thanks,
