Subject: Order of the Palmetto

Katherine,

I'm not sure who to direct this to, so am starting with you! Senator Courson supported the nomination of his long-time friend Kenneth Shuler for the Order of the Palmetto. We understand from his staff that the Governor will make the award. Senator Courson wanted to offer to make the presentation if the Governor is unable to do so personally. Mr. Shuler's staff has made the inquiry with us, but we didn't want to move forward without confirmation that Governor Haley is unable to make the presentation. Please let me know who I should contact about this.

Thanks so much,
Olivia
