Is there any hope that the governor might have something to say about this?

Subject: Inspector General's report

Hi Chaney,

Doug Pardue and I are following up on an inspector general's report that was released yesterday about MUSC Board expenses.

Here is the report: <http://oig.sc.gov/Documents/SIG%20Final%20Report%20re%20MUSC%20BoT%20Expenses%2001122017.pdf>

Here is our story in today's paper: [http://www.postandcourier.com/news/report-musc-board-created-impression-of-violating-public-trust-but/article\\_a65aac26-d8de-11e6-9edd-ab8b6772d69f.html](http://www.postandcourier.com/news/report-musc-board-created-impression-of-violating-public-trust-but/article_a65aac26-d8de-11e6-9edd-ab8b6772d69f.html)

Does the governor agree with the IG's findings? Does she think the Legislature needs to address the recommendations? Do you by chance know if the governor's appointee to the board (Dr. Jablon) repaid his share of the expenses?

Thanks for your help. Our deadline is 4 p.m.

Lauren
