S.C. Chamber Needs Input on Business in Your County

COLUMBIA, S.C. – The South Carolina Chamber of Commerce is asking businesses from around the state to take a few moments and complete a survey on the business friendliness of the counties they do business in.

Visit <https://www.surveymonkey.com/r/countiesSC> to take the Chamber survey.

The survey is being conducted in support of Governor Haley's Local Government Competitiveness Council, chaired by SCDOR Director Rick Reames. The goal of survey is to help local governments improve the business climate for South Carolina businesses. All respondents' names and company information will be kept confidential and not provided to the Council.

Thank you for your help as we work to make South Carolina the best place in the nation to live, work, and do business.
