South Carolina State Parks

Eagle Scout candidate, Jonathan Meares, presents checks totaling \$1,500 to Park Manager Brenda Magers. The checks will fund an AED (automated external defibrillator) for Lake Hartwell State Park. Meares hopes to see 4 other state parks adopted as part of his Eagle Scout project. Seventeen additional parks are in need of an AED. The 2008 death of 12 year old scout, Cameron Ahalt, due to cardiac arrest at a Scout Camporee inspired Meares to meet this need in our state. If you would like to help Jonathan with this project, email him at mojonathanmeares@gmail.com. Meares is a seventh grader at Waccamaw Middle school and a member of Pawleys Island Troop 360.
