My thought on this is not to respond or refer him to the Council on Lawyer conduct.

He is charged with two counts of murder/attempted murder, one count of possession of a weapon during a violent crime, and one count of unlawful discharge of a firearm.

To Lieutenant General, "Mr. Kevin I. Bryant:"

My name is Tyrone E. James. I am writing because there is a prosecutor, Joshua D. Holford, in my case, has devalued my service to this country along with true & correct accountability in my case, as meaningless. On 10/30/16 I had to fend more my life against the defendants, Deshanda Dennis and Joseph C. Smart, malcontented squatters, in my case who had other intentions, one being my demise. My only crime was defending my life. In the after event, those same persons who then went back to take all my property in my home, as they stated would occur, were still contacting me to threaten my family's life and I. That was in continued nefarious assaults, as before the incident, first on my Facebook page, then to me direct claiming the attempts to destroy me wasn't over and she'd (Deshanda Dennis) would make sure they'd give me life or 15-20 years and the death penalty, regardless of any solicitor, judge, or law or due process. Also, it was impossible to stop her. She repeated that she could lie her way out of anything first to the courts in a signed avadavat in court stating her lies, the nto law enforcement. One of the last contacts she made she promised no one will stop her

from finishing what she couldn't do which was my demise, on that night. This prosecutor, Joshua Holford, has only followed their account with no regard for violent corrupt backgrounds, as if she just past the bar, and has the law degree, and running the case. She (Deshanda Dennis) is not what she seems at all and moving this solicitor to do what she wants. There has been no discussions or alternatives on valuing my overseas service, non-felonious background or mindful effort to be the citizen I worked hard to be. No. his response is that she is harassing him constantly, coercive, calling the prosecutor's office, so it has to be that. The same bullying, intimidating, and coercive assaults that were done to me but for me was 100X more malignant. But I never heard of any lawyer or prosecutor being overrun and provoked to a personal vendetta by 1 person, but I know her, and that's what she does. Manipulate to ruin life with no avail when she imagines crossed. A lot seems unjust. Could you look into this. Treatment of Veterans that has done all what was asked while contributing more is frightful.

Respectfully,

Tyrone E. James
