Subject: Obama cites Scripture to defend policy forcing schools to let boys in girls' bathrooms | News | Lifesitenews
Importance: High

The president does not have another view of Scripture equal to the truths that the Church and Christendom have stood upon for over 2K years. Satan quoted Scripture in his lies to tempt Jesus Christ to sin. Jesus did not choose what was contrary to God's Word as a whole. The president, too, speaks lies about transgender and homosexuality. He is deceived by sin. Pray for him. I wanted you to see the president's words first hand.

We need to inform our leaders and children of this abomination infiltrating the minds of the children, naive and trending to erase the truths upon which the Church has stood, as well as a common sense cultural safeguards.

Resolve to stand together against this.

Behave to be free,

"At a time when liberty is under attack, decency under assault, the family under siege, and life itself is threatened, the good will arise in truth; they will arise in truth with the very essence and substance of their lives; they will arise in truth never shying from the Standard of Truth, never shrinking from the Author of Truth."

~ Henry Laurens South Carolina Patriot, and 5th President of the Continental Congress (1777-1778)

"While the people are virtuous they cannot be subdued, but when they lose their virtue they will be ready to surrender their liberties to the first external or internal invader . . ."

~ Samuel Adams, Declared upon signing the Declaration of Independence
