Subject: Early vote update

Dear Friends:

After two days of early voting, we have learned a few things:

- 1) Turnout is very light after the first weekend, significantly lower than where we were after the first weekend in 2010.
- 2) Republicans are over-performing the overall registration numbers in both Washoe and Clark Counties.
- 3) Your contributions are directly helping us turn out our supporters. We must out-work our opponent every day and not let up until polls close on November 4th.

Please consider a contribution right now of \$15, \$20, \$25 or \$50 to help us continue turning out voters. Your contribution is necessary to help us communicate directly with the voters who have yet to cast ballots.

If you haven't voted, please [visit my webpage](#) to find out where and when you can vote TODAY!

Thank you,
Adam Laxalt

P.S. - Please forward this e-mail to your family and friends and urge them to vote.
