Josh and I have the HHS budget meeting starting at 3:30 and scheduled to run until 5. I/we can talk to her whenever that wraps, if she can be flexible.

N will not be available to meet – who would be the appropriate staff alternative? Thanks, Leigh

Dear Leigh,

Thanks so much for checking the Governor's calendar to find a time when I could discuss First Steps with her. I wanted you to know that I'm going to be in Columbia for a First Steps Board meeting this Thursday, October 18th. I didn't know if there would be a time after 4 p.m. when I might be able to "stick my head in" but thought that I'd ask.

Thanks,

Lisa Van Riper, Gubernatorial Appointee
