Of course. We were actually just dealing with that recently. Our finance department appears to have difficulty with the "split" between us and the Governor's office. In the future, it might be good if you notate on the invoice that DSS is responsible for half and Governor is responsible for half, and send it to me and to Holly Pisarik. You don't have to do that, but I think it will help get it processed faster.

Thank you for your service and we'll try to get this resolved right away.

Hi Tony, I am hoping you can help me find out what happened to the invoice I sent to you in late January? Can you please let me know where this is in the payment process? Thanks very much in advance.
