Katherine,
We met today at the Civic Center with my dog Annie. We got a photo with Gov Haley, but I'm told that I neglected to get a photo release so we could put it on our HOPE AACR website. Grrrr!
I have attached the form (PDF, sorry); could you possibly get it completed & scanned back to me? It would be SO wonderful to be able to publicize what we are doing in SC!

Thanks much and it was great talking to you today.
