Dear Governor Nikki R. Haley:

Some counties in the state were out more than others during the inclement weather in South Carolina and my children and grandchildren had already paid for a week vacation at the beach May 30-June 6. Since one of these families lives in the upstate their end day is June 3 because of bad weather. Our vacation runs from Saturday to Saturday so by the time they get to the beach, they will only have two days to spend with us with checkout being at 10:00 AM. I am asking you to please forgive one or two of these days so that my family as well as for others in the same situation can take advantage of their planned vacations.

Thank you for considering this and also for all you have done for the State of South Carolina.

Sincerely,

Deborah Z. Bonnett
