Subject: Re: DOC appointments

Frank- it was great meeting you today. We will appoint Josh Baker to this vacancy- I'll send you a copy of the appointment letter next week.

I'll give you a call on Monday to discuss the best seat to designate as chairman. No final decision yet on our end.

Hi Christian,

We met with John Carroll today and he was very helpful in getting the ball rolling on our need appointments. In looking at the statutes, it appears that some appointments are made by the agency rather than through the Boards and Commission process. One of these appointments is a "member of the Governor's Office staff". I'm not sure how y'all want to handle this but I think I need to reach out to your "agency" to have a staff appointed to help with the DOC. As noted below, the DOC is responsible for approving the release of hospital data to researchers or other entities which are collect pursuant to state law and reg. I think they may meet once a month. I'll be glad to answer other questions you may have.

Also, I just noticed I will need to get with John to see about the Governor designating a chairman.

Thanks and have a good weekend,

Frank
