Dear Mr. Keck:

Due to the fact that there has been no increase in revenue for the FY14 Budget, County Council has capped direct assistance appropriations to the amounts included in the FY13 Budget.

Should the State Legislature reduce the Local Government Fund as compared to the amount required to be appropriated pursuant to Section 6-27-30 of the State Code of Laws, Colleton County Council may be required to reduce outside direct assistance payments equal to the percentage of reduction in the actual amount appropriated to the Local Government Fund.

If you have any questions, feel free to contact me.

Regards,

  
J. Kevin Griffin  
County Administrator
