---

In discussions with Patrick Kearney of DHS today, they are interested in moving fairly quickly to staff the, soon to be created, REAL ID Office within DHS. **Therefore, please consider this email a formal request to receive resumes from all who may be interested in participating in the IPA program by Friday, October 13, 2006.** DHS is looking to bring three to four people on board as soon as possible. Please forward your resume to my attention either hard copy or via email at llewis-pickett@aamva.org. I am hoping to get additional information from DHS concerning duration of stay, description of the project, skill sets needed, how the person is paid, or whether the person is on loan from the jurisdiction.

Also, AAMVA is hosting a meeting on Wednesday, October 4th with DHS, members of the Federated Working Group, DOT, jurisdictional members and AAMVA staff to discuss technical aspects and requirements for an all driver pointer system.
