Subject : FW: Refugee Resolution

Dear Governor Haley,

Please see the email below to Spartanburg County Council that expresses additional concerns from our citizens about the South Carolina refugee resettlement program. It is County Council's understanding that you have the sole authority over the State's participation in the federal refugee resettlement program. As I shared in my phone message to you, County Council is concerned about the safety of our citizens. It would be helpful to me to speak with you on behalf of County Council to have a better understanding of the current status of the State's program.

Your assistance with providing a response to this citizen's concerns is greatly appreciated.

Sincerely,

Jeffrey A. Horton, Chairman
Spartanburg County Council

Subject: Refugee Resolution

Jeff: I hope you will work with the council to pass legislation to stop the refugee immigration process for our county until we are all confident that not even one person of ill-intent will not be let in. We are compassionate people and will help those that need it but there is no reason for us to do so by bringing them in without proper understanding of who they are. We need the process to be publicly discussed at a national level and until it is, we cannot subject our citizenry to the potential of what is happening around the globe.

Thank you for your service,

Craig Lambert
