Mr. Varat,

Please find the attached documents. Would you mind forwarding to Mr. Kevin Bryant?

- Solicitation document
- Amendment #1
- Cyberwoven Record of Negotiations

I would be happy to explain/elaborate on the documents, process, scope of work, etc. My number is below. I do have a meeting with the SC education lottery this afternoon from 12:30 – UTC (probably 5pm), however I'll be available from now until 11:15am today, or I could possibly make time this afternoon during a break. I was planning to post the intent to award tomorrow. I feel that this is a strong contractor, capable of delivering a superior product for the LGOA. I wouldn't award otherwise.
