Chaney and Rob,

Just checking in and seeing how you are doing. Wanted to see when we can schedule a time to have the Governor on with Neil. With debates in full swing we have a ton of special programming on and would be able to work around her schedule to have her on. We are live from 12:00-2:00 pm EST and again at 4:00 pm est. and debate days we are live till 1:00 am. Please let me know what would work best for her as we would love to have her on.

Many thanks!

Good Morning Rob and Chaney,

Hope the both of you had a nice summer. Wanted to touch base with you about an interview with the Governor. I noticed last week a report that the Governor has asked all of her state agencies to prepare for leaner times and to be smart about their budget requests. She also wants the state to be ready and ahead of financial issues in the event of an economic slowdown.

Now that Neil has returned from open heart surgery and has been asking to have her on the program this would be a great platform to talk about this.

Neil has the #1 business show on tv.

Again we are live in the 4:00 pm est hour and would love to make something work with her. Please let me know what day would be best for her.

Thanks much.
