**RE: I-26 Tree Clearing Project**

Dear Mr. Moravek:

Thank you for your email to Governor Haley concerning the I-26 tree clearing project that is underway. The Governor's office forwarded your concern about how the project is being handled to the South Carolina Department of Transportation (SCDOT) for a response.

SCDOT considers corruption and fraud a very serious matter. In order to proceed with a project review more detailed information would be needed. Please feel free to contact my Chief Engineer for Operations Leland Colvin at 803-737-5028, regarding your specific concerns so we can research this matter fully.

If I can be of assistance, do not hesitate to contact me at 803-737-7900. Thank you for your interest in South Carolina's Transportation System.

Sincerely,

Christy A. Hall, P.E.  
Deputy Secretary for Engineering
