Do you have any additional suggestions?  
Thanks, KV

**Chairman Larry Martin:**

You are a once-in-a-generation statesman who serves the people of Pickens with passion, humility, and guts.

The people of Pickens County should be so proud that you – led the charge to restore the public's trust in government.

**You challenged the status quo for what was right and not what was best for those in office—you stood up against the establishment, special interests, and the good ol' boys.**

**Thank you for your friendship and partnership on so many good government reforms that would still be in a desk drawer if wasn't for you:**

**On-the-Record Voting**

**Tort Reform**

**Voter ID**

**Equal Access to Ballot Access**

**The Department of Administration**

**Governor and Lt. Governor Running on the Same Ticket**

**Domestic Violence Reform**

**Ethics Reform**
