Sorry Katherine, I meant to copy you on my email to Josh. The other thing that I forgot to mention below is that Ric will also request the tours to include access to the galleries overlooking both chambers. Currently, DPS won't allow access to these areas.

Josh,

Called you earlier, but did not leave a message. The reason for my call was to let you know that the State House Committee is meeting on October 16. Ric Luber with the Midlands Authority for Conventions, Sports & Tourism is on the agenda to pitch opening the State House for tours more than one Saturday a month. I spoke with Ric after a meeting we both attended today. Learned that ideally he would like PRT to provide tours and have the gift shop open every Saturday and Sunday too. I have a meeting with Duane on Tuesday to find out his position, but wondered too if the Governor's Office has a position on this because obviously your position trumps ours! *Aren't you glad I know my place.... tee-hee!*

Also, since DPS provides security for the State House, want to make sure they are aware of this meeting. In the back of my mind, I'm thinking Sid retired, but not sure. If this is indeed the case, who is handling legislative affairs for them? I was going to touch base with DPS, for they may want to attend this meeting.

You can reach me on my cell if you want to discuss.

Thanks!  
Toni
