Tom –

If you need me for anything, but you can't reach me, get with Chaney, who is copied on this email, and she'll get you squared away. She can track me down at any time.

Zach, who is copied on this message, can get you squared away on graphics, etc. Work with him directly on that.

Halti, who is copied here, will work with you on the program. However, if she isn't available to do so due to a family illness, she will let you know who on our staff you can work with to get squared away.

As always, thank you for everything y'all do to make this event one the entire state can be a part of.

Rob
