Dear Governor,

I am a retired US Air Force veteran of twenty six years and a new resident of South Carolina (April 2014). I am proud to be a resident of this great state and appreciate the way veterans are treated. What I can't understand is that I can go to the Dept of Motor Vehicles and select any number of license plates from both in and out of state but they do not offer a plate that honors Gulf War Veterans. As a Viet Nam era veteran and a three tour Gulf War Veteran I feel that is an insult to those members of the Armed Forces that have served in the Gulf War Conflict. I know that your spouse is a veteran and I know how much you care for all veterans and it for this reason that I am writing to you to see if something can be done to offer such a plate that both honors and distinguishes those that have served in the Persian Gulf Conflict. South Carolina has honored all veterans of previous conflicts so why not this one?

I know that you have much more important things to worry about but I would appreciate your looking into this when you have a chance.

Thank you so much for your time. You are doing a terrific job so keep up the good work.

Sincerely,

A handwritten signature in cursive script that reads "Gregory Carroll". The signature is written in dark ink and is positioned above the printed name.
