Can you tell me what IDEA is?

I should have asked you yesterday...

We're required to have a State Interagency Coordinating Council under the terms of IDEA Part C. The Council appears to be dormant lately, so I'm in the process of updating the appointments and resuscitating it. Many of the appointments are for parents and providers, but each relevant state agency also has a seat. DHEC's has historically been filled by Brenda Martin. Do you want her to be reappointed to continue in that role, or is there someone else you want there instead? Thanks.
