Tom -

In years past, y'all have worked with Katherine Haltiwanger on the program for the governor's address - specifically on guests/seating, etc for closed captioning or whatever ETV production needs arise.

Katherine is out today, so you'll be working with Rebecca Schimsa, who is copied on this message.

Not sure when all this will be available, but let us know what time would be ideal.

Doubt I need to say this, but we share the information with y'all under the assumption that y'all won't share it with anyone else, including any news organization, before the governor starts.

Becca, Tom, let everyone know of any questions or concerns.

Rob
