Mr. McDonald: Attached please find a copy of the correspondence sent to you concerning the Alvin S Glenn black mold and rationed necessary supplies.

Why are we receiving federal grants and funding under these adverse conditions?

Please provide a written response and a specific timetable of completion these issues will be resolved.

I thank you in advance for you timely responses.

Mr McDonald: As discussed in our meeting last year. Please review the attached documents concerning Black Mold & The Torture Chamber at the Alvin S. Glenn Detention Center.

Pretrial detainees are governed by state mandated guidelines of which must have strict adherence. They are not to be treated as convicted criminals during their unconvinced Pretrial stage.

Again, please review the attached documents and provide your written response as to correcting this blatant deficiency.

Cordially,

Earl Graham
