Those of you who stood against that flag and the heritage of South Carolina citizens, against the wishes of the majority of its citizens have no right holding the offices that you hold. You are traitors to your state and to your constituents.

These individuals are elected to represent "We the People", not their own political agenda...if it is of the importance that they claim it is, then let "We the People" vote on it ourselves, because the last thing these politicians have on their mind is the will and trust of their Constituents.

Im signing because this is our heritage and our right just like any other flag is to anyone else that flies. You all know the real history of the flag, a few people use it wrong. But people use a lot of flags wrong.
