Do y'all have a standard response for constituents who write requesting legal opinions?

Subject: GHS transfer of ownership

Governor Haley please accept the 1-page PDF regarding my grave concerns with the recent transfer of ownership of the Greenville Health System. I consider myself to be an expert on the healthcare delivery system, and therefore I can provide far more details supporting my concerns. I was recently nominated by Representative Garry Smith to become a member of the GHS Board of Trustees, but my nomination was blocked by the GHS current board. I hope I can anticipate a response to my query.
