Senator Cleary,

I have attached a letter from James D'Alessio, Vice President of Government Affairs, concerning next week's subcommittee meeting on H 3250 -Certificate of Need.

BCBS felt it important to provide you and your Senate Medical Affairs subcommittee members with a clear and concise statement of our position for the record, and will provide this to the full committee as well.

If you have any questions, or we may be of any assistance at the meeting next week, please do not hesitate to call on us.

Thank you and have a great weekend,
