Hi Christian,

I just wanted to let you know that I will be in New York this week for a Social Impact Investment gathering at Bank of America. On the side of that, I will be meeting with Social Finance and Third Sector (with Megan) to update them on where we are on the SIB for home visiting project. Just wanted to loop you in on those conversations.

In light of that, also wanted to know if we had received any guidance from Jeff Liebman and the Harvard folks about publicity or next steps on the TA from them.

Also, Jeff accepted our invitation to present at the Social Impact Finance working group meeting on April 23rd in Columbia.

Look forward to hearing from you.

Joe
