Dear Governor Haley:

My name is Charles E. Frazier, and my son Charles Darius Frazier pled guilty to driving under the Influence. He were wrong, but his alcohol test were 0.4 percent.

I know you shouldn't drive and drink alcohol, and I taught him that from a little boy. This is his first offense, and it will give me great pleasure, and relief, if you can pardon him. I think he learn his lesson.

The way you handle the floods, and dams were remarkable. The leadership were A+, and as you said, it isn't over yet, we got to get back to being South Carolinians. Getting thing back to normal is a must. I didn't know we had so many dams in South Carolina.

Sincerely

Charles E. Frazier
