Is there a bill filed right now that could be amended with what she wants?

Good Afternoon,

Attached are two letters from Laurie McDermott, the first was received in June. I did call Ms. McDermott at that time to let her know that the bill was dead and how the legislative process worked. The second one she sent to you in Early September (the mail was very slow because we just received it Thursday, Ms. McDermott had contacted me before we received the letter). She is asking for legislation to reform the prison system in South Carolina, she is not a constituent but her Son was before he was arrested.
