Subject: FW: ethics

Michael –

I checked on the ethics PPT. DOA wrote it and LLR just used it. Maura Baker at DEW, their privacy officer, would have coordinated the training there. Perhaps she would be the better person to talk to as you will have the DEW version. I am not sure if the appellate group would be subject to the employee code of conduct exactly, but I do think that you could use portions as it generally discusses proper ethics.
